

NKKO: FULL IN CONTACT – STRONG IN LIFE

Summertime Papendal 2023 July 7 – 10

Since 1968, after Shihan Loek Hollander was instructed by Sosai Oyama to build Kyokushin in Europe, every year a summer camp has been organized under the leadership of Shihan Loek Hollander. The first camp was held in Ermelo in the presence of Sosai Oyama.

Since then, almost all the following summer camps have been held at the National SportsCenter Papendal nearby Arnhem. It is true that this summer camp, also known under the name of Papendal, has become a tradition for Kyokushin karateka. Not only in the Netherlands, but also in the rest of Europe and worldwide. Papendal has become known as the most challenging Kyokushin camp in the world. Together we are searching and pushing our limits both physically and mentally in the spirit of OSU and training just in the Kyokushin way as Sosai ment Kyokushin to be.
